PRESS CLIPPINGS.

Why look older than you really
are, when Hall's Hair Renewer
will completely restore the natu-
ral color, as in youth, to gray, faded
or discolored hair.

Philadelphia is to have a nation-
al Chinese cemetery. Those mor-
bid souls who enjoy deciphering
epitaphs in graveyards will be
driven to despair when they tack-
le some of the tea-chest inscrip-
tions in this new cemetery.

There will be rare sport in build-
ing that Alaska railroad. Every
shovel full of excavated dirt may
be worth enough to pay the day's
expenses. But where will the
ballast come from?—Cleveland
(Ohio) Plain Dealer.

The Senatorial campaign is
drawing to a close, and the breath
lost by Irby, Mayfield and Evans
had better been spent in prayer
for their past sins. Duncan has
joined the crowd and it is well he
has, for every show is not com-
plete without a monkey.—Lamar
X Rays.

The Westminster Gazette is in-
clined to regard our monetary
commissioners as funny. The Ga-
zette should understand that in
the expression of this opinion it is
not executing a scoop on the
American press.—Washington
Post.

The most unmistakable sign of
improving prosperity which has
thus far manifested itself was de-
veloped at a populist convention
in Kentucky, which was attended
by fewer delegates than there are
offices to be filled.—St. Louis Re-
public.

"You charge a dollar a day
more at one of your hotels than at
the other," remarked the man who
travels. "Yes," replied the pro-
prietor. "But I don't see any
difference." "There is a differ-
ence though. At one we print
the bill of fare in French, and at
the other in English."—Ex.

Mr. James Rideout, Highlands,
N. C., says he never saw a remedy
that cures attacks of dyspepsia as
quickly as Normal's Neutralizing
Cordial, and being so pleasant to
take, thinks it must drive all other
dyspepsia medicines out of the
market. 25 and 50c. Normal's
Indian Worm Pellets, the best
worm expeller, 10 and 25c. Sold
all druggists.

Love on a Tandem.

It was a lovely day—all nature
was serene. They had taken a
long ride into the rural retreats
upon a tandem. He was deeply
in love and formulated the endear-
ing terms he would use. They
came to a shady spot. The birds
were singing in the trees, and they
rested upon the green turf, and,
taking her hand, he began, "My
dearest," when he jumped four
feet in the air and yelled such
imprecations that the frightened
girl thought she had a maniac
to deal with instead of a lover.

*** He had only seated himself
over the opening to a yellow
jacket's nest. The home journey,
it is reported, was made in silence.

JOHNSON'S CHILL AND FEVER TONIC

Cures Fever
In One Day.

A piano dealer says that tur-
pentine and sweet oil, half and
half, is a proper preparation to
use in brightening and cleaning a
piano. Applying with a soft rag
and polish with chamois skin.—
Exchange.

In 1862, when I served my coun-
try as a private in Company A,
167th Pennsylvania Volunteers, I
contracted chronic diarrhoea. It
has given me a great deal of trou-
ble ever since. I have tried a
dozen different medicines and sev-
eral doctors without any perma-
nent relief. Not long ago a friend
sent me a sample bottle of Cham-
berlain's Colic, Cholera and Diar-
rhoea Remedy, and after that I
bought and took a 50-cent bottle;
and now I can say that I am en-
tirely cured. I cannot be thank-
ful enough to you for this great
remedy, and recommend it to all
suffering veterans. If in doubt
write me. Yours gratefully, Henry
Steinberger, Allentown, Pa. Sold
by Dr. W. L. Wallace, Druggist.

Legal disputes in Borneo are
curiously decided. The two litig-
ants are each given a lump of
salt of the same size to drop si-
multaneously into water. The one
whose lump first dissolves is deem-
ed to be in the wrong.

Quinine and other fe-
ver medicines take from 5
to 10 days to cure fever.

"Do you think it's true that every
man has his price?" ask the hei-
ress. "I'm sure I don't know," he
answered thoughtfully, "but if you
want a bargain you needn't look
any further."

No Cure, No Pay.
That is the way all druggists sell
Grove's Tasteless Chill, Tonic for
Chills and Malaria. It is simply
Iron and Quinine in a tasteless
form. Children love it. Adults
prefer it to bitter, nauseating Ton-
ics. Price, 50c.

Mrs. Henpeck (after a little
difference of opinions)—"I sup-
pose you felt like a fool when you
proposed to me?" Mr. Henpeck
—"No, I didn't; but I was."

Don't Tobacco Spit and Smoke Your Life Away.
To quit tobacco easily and forever, be mag-
netic, full of life, nerve and vigor, take No-To-
Bac, the wonder-worker, that makes weak men
strong. All druggists, 50c or \$1. Cure guaran-
teed. Booklet and sample free. Address
Sterling Remedy Co., Chicago or New York.

Flies are infested with parasites
which prey upon and destroy
them; and these, in turn, as has
been shown by the microscope, are
killed by still smaller parasites.

"Let me give you a pointer," said
M. F. Gregg, a popular conductor
on the Missouri Pacific railroad.
"Do you know that Chamberlain's
Colic Cholera and Diarrhoea rem-
edy cures you when you have the
stomach ache? Well, it does." And
after giving this friendly bit
of advice, the jolly conductor pass-
ed on down the aisle. It is a fact
that thousands of railroad and
traveling men never take a trip
without a bottle of this remedy,
which is the best cure for bowel
disorders in the world. 25 and 50
cent bottles for sale by Dr. W. L.
Wallace druggist.

Hindu Widows and the Queen.

One hundred Hindu widows in
and about Amritsar, the chief com-
mercial city of the Punjab, presen-
ted Queen Victoria with a certain,
embroidered by themselves. It is
one of the most interesting of the
Jubilee gifts; seeing that sixty-
eight years ago such widows would
have been burnt alive on the fun-
eral pyre of their deceased hus-
bands. In 1829 Lord William
Bentinck proclaimed the practice
unlawful and punishable by the
criminal courts as willful murder.
It is stated that between the years
1756 and 1829 as many as 70,000
widows had so sacrificed them-
selves.

It is always gratifying to receive
testimonials for Chamberlain's
Colic Cholera and Diarrhoea Rem-
edy and when the endorsement is
from a physician it is especially so.
"There is no more satisfactory or
effective remedy than Chamber-
lain's Colic, Cholera and diarrhoea
remedy," writes Dr. R. E. Robey
physician and pharmacist, of
Olney, Mo.; and as he has used the
Remedy in his own family and sold
it in his drug store for six years,
he should certainly know. For
sale by Dr. W. L. Wallace, drug-
gist.

In Norway village, Me., is a cat
that appears to take the water as
would a duck. It is said she may
be seen every day taking a swim
in the stream a short distance back
of the store.

Quinine and other fe-
ver medicines take from 5
to 10 days to cure fever.

The largest fruit farm in the
world is said to be at Olden, Mo.
it consists of 2,500 acres, on which
are more than 100,000 peach trees,
60,000 apple trees, 2,000 peach
trees, 40 acres of blackberries.

Chamberlain's Colic, Cholera and
Diarrhoea remedy always affords
prompt relief. For sale by Dr. W.
L. Wallace druggist.

Too many people are drowned

Just what is the proper number
to be drowned each year?—New

We think the solution of the
question depends largely upon
the kind that bathe.—Columbia

Woman's Diseases

Are as peculiar as
unavoidable, and
cannot be discus-
ed or treated as we
do those to which
the entire human
family are subject.
Menstruation sus-
tains such import-
ant relations to her
health, that when
Suppressed, Irregu-
lar or Painful,
she soon becomes
languid, nervous
and irritable, the bloom leaves her
cheek and very grave complica-
tions arise unless Regularity and
Vigor are restored to these organs.

Bradfield's

in any other section, and has never
failed to correct disordered Men-
struation. It restores health and
strength to the suffering woman.

"We have for the past thirty years handled
Bradfield's Female Regulator, both at whole-
sale and retail, and in no instance has it failed
to give satisfaction. We sell more of it than all
other similar remedies combined."

If the average woman were a
man she wouldn't have the least
idea how to make love to the wo-
men, says the New York Press.

A new industry has been started
